

7 Things You Can Do to Make Your School Safer

- 1 Review your Multi-hazard Emergency Operations Plan with security experts** 
- 2 Create a system for teachers to share information concerning serious threats or targeted violence** 
- 3 Train teachers to know the warning signs of targeted violence** 
- 4 Have an intervention program onsite to address problem behaviors, such as bullying** 
- 5 Stagger lockdown drills to include drilling at times of transition, such as lunch, start and end of day** 
- 6 Add or review your threat assessment process and make sure your teachers understand how they can help** 
- 7 Have a 2nd and 3rd plan ready to communicate with parents in the event of an emergency** 

Include First Defense Solutions as part of your Teacher In-Service Training and get CPE credit while improving your school's security.
